Surprise Moraba

As a highly skilled UI/UX designer with over 1 year of hands-on experience, I craft intuitive and visually stunning digital experiences that drive user engagement and business results. With a deep understanding of user-centered design principles, I develop wireframes, prototypes, and high-fidelity designs that meet and exceed client expectations. Completed web development internship at HexSoftwares and Front-end web development at ALX, as well as freelancing.

Skills / Strengths

- Soft Skills (Professional foundation)
- Computer literacy (including Microsoft Office, Google App suite)
