## About me

Enthusiastic UI/UX & Graphic designer with over 2 years of hands-on experience. Skilled in translating user research into clean, interactive wireframes and prototypes using Figma. Eager to leverage a strong foundation in design thinking and usability testing to build intuitive, accessible products for cross-functional teams. Proficient in Adobe Creative Suite (Photoshop, Illustrator, Firefly) and Canva, with a passion for transforming conceptual briefs into engaging digital and print assets for collaborative teams.

## Experience

### UI/UX Designer & Digital Marketing March 2025 - July 2026

SoftTechz Technology (PTY) LTD

- Collaborated with developers and other team members in designing the company website to ensure seamless implementation.
- Created user experience flows, wireframes, interactive prototypes and visual designs using industry-standard tools.
- Conducted user research and usability testing to improve user experience.
- Worked closely with the CTO to design and create campaign, digital marketing & social media content (posters, reels, banners, videos) for Softmeet platforms.
- Followed UI/UX trends and best practices to improve user - centered design processes.
- Maintained Softmeet's brand consistency and ensured accessibility across all designs and platform

### UI/UX Designer(YES Programme) March 2024 - Feb 2025

Afrika Tikkun Services (PTY) LTD

- Design principles
- Conducted user research, usability testing, wireframing, user persona and prototyping
- Created graphic and visual designs (including Social media content) using Adobe Photoshop and Illustrator
