About me

Enthusiastic UI/UX & Graphic designer with 2+ years of hands-on experience. Skilled in translating user research into clean, interactive wireframes and prototypes using Figma. Eager to leverage a strong foundation in design thinking and usability testing to build intuitive, accessible products for cross-functional teams. Proficient in Adobe Creative Suite (Photoshop, Illustrator, Firefly) and Canva, with a passion for transforming conceptual briefs into engaging digital and print assets for collaborative teams.

Experience

UI/UX Designer

March 2024 - July 2026

SoftTechz Technology (PTY) LTD

- Collaborated with developers and other team members in designing the company website to ensure seamless implementation.
- Created user experience flows, wireframes, interactive prototypes and visual designs using industry-standard tools.
- Conducted user research and usability testing to improve user experience.
- Worked closely with the CTO to design and create campaign, digital marketing & social media content (posters, reels, banners, videos) for Softmeet platforms.
- Followed UI/UX trends and best practices to improve user - centered design processes.
- Maintained Softmeet's brand consistency and ensured accessibility across all designs and platform

UI/UX & Graphic Design - Freelancing

March 2024 - Present

- Successfully created logo designs, catalogue, brochure and web graphics for a variety of clients.
- Effectively collaborated with clients to ensure their needs and expectations were met.
- Developed a comprehensive understanding of branding and marketing principles to create effective visuals.
- Worked under tight deadlines to deliver high-quality results in a timely manner.
- Developed a range of digital and print graphics for a diverse client base.
